Dear Gennie,

On behalf of the board and staff of Read Muskegon and those that we serve, we would like to thank you for your generous contribution of books collected by your diocesan camp campers and the parishioners of St. Paul's. Your belief in Read Muskegon and support of our mission will allow us to create positive, sustainable change in the lives of adults who are most in need.

We would like to share with you some of the ways we will be investing your donation throughout year.

- **1-1 Tutoring:** Our volunteers are the heart and soul of our organization, you are helping us to recruit, train and support a larger pool of tutors to better serve the needs of our community.
- **Literacy Labs:** By providing literacy support at local Head Start and Adult Education centers, you are helping us to make our services more accessible to a greater number of adults and their children.
- **Family Literacy Trainings & Events:** Engaging low-literacy parents and their children in activities that support reading development for all ages, you are helping us to break the cycle of illiteracy.
- **Small group sessions:** Working in partnership with local agencies to provide literacy support at their facilities, you are helping us to better prepare adults to enter the workforce.
- **Education & Outreach:** By helping others understand the link between literacy and other social concerns, you are helping us to create long-term solutions and stronger programs.

Thank you again for your generosity.

With Gratitude,

Melissa Moore
Executive Director
